Book Club Discussion

About the book: "J. Blue is a mysterious man. Charming and carefree, he goes from rags to riches after the inheritance of an unexpected fortune, only to forgo money and power for the love of Lady Poverty. This life of service leads him to embrace fully his Christian faith—loving the unlovable, instructing the ignorant, and remembering that it is by grace that we are saved... Readers will see more clearly than ever before—as the novel's narrator does—how 'Blue made one believe almost anything is possible,' especially a life of joyful self-giving'" (from Amazon.com).

Please read the book prior to the meeting. There is no charge to take part in the book club discussion; freewill offerings are accepted.
