The serenity prayer is a well-known prayer to God asking for calmness, comfort and peace in all areas of life. It asks for strength and courage to alter the matters within a person's control and for acceptance in matters which cannot be changed.

There are circumstances in our lives that are out of our control. Tragedies seem to make daily headlines. It is hard to accept those overwhelming adversities and circumstances in our life that only God can change and heal! Perseverance, patience, trust, wisdom, and peace are available through our Lord and Savior - Jesus Christ!

Serenity is a state of being calm, peaceful, and untroubled. Doesn't that sound wonderful? Is it possible to attain a state of serenity? Yes, but not on our own. We need God's help and strength, through the power of the Holy Spirit to make it a lasting reality. Only He can supply us with the peace - the serenity - that surpasses all understanding!
