As spring approaches, we develop that urge to make everything in our house clean and in order. It's a chance to clear away the clutter, do a little reorganizing and tidy up! Sometimes we need to do the same thing with our spiritual house. We need to take stock, prioritize, clean up and give our interior life a good freshening up! A retreat is the perfect opportunity for us to draw close to and deepen our relationship with God! It will be a time of spirit filled praise, prayer & contemplation, fellowship & healing! Step away from your daily routine to grow deeper in your faith and to take the time needed to "exhale", to reset and renew your heart, spirit & soul.
