## ADDITIONAL INFORMATION

### La Purisima sleeping arrangements.

There are several room configurations. There are no single rooms. We will not use any top bunks (unless you request to be on a top bunk) so the sleeping bed space is limited to 54 women in the following ways:

4 rooms with 2 twins in each

4 rooms with 4 twin beds

1 room with 6 beds (6 top bunks as well)

6 rooms with 4 beds (4 top bunks as well)

Each room has bedding, pillow and towels. The beds will need to be made and then stripped at the end of the retreat.

Each room has a nice bathroom / sink / private shower. There are extra showers in the meeting hall as well. The accommodations are comfortable and very clean....it is a retreat center with a slumber party kind of feel.

If the beds are all reserved, you may choose to sleep at home if you live in the area. A \$25 credit will be given, therefore, the cost for the retreat will be \$100.00

### Local Hotel Suggestion

If all beds are reserved at La Purisima, then you may choose to stay 15 minutes away at a number of hotels. They seem to range from \$90 - \$130 a night. Share a room with a few girlfriends and keep the cost at a minimum. A \$25 credit will be given, therefore, the cost for the retreat will be \$100.00.

### What to bring:

Comfortable, casual clothing. Walking shoes. Light jacket. Camping chair (if you have one) Bible & rosary. Additional information and retreat schedule will be provided once registered.
