DÍA DE LOS PATRIOTAS

THE MESSIAH FORETOLD

Today's story of the cure of a deaf man with a speech impediment is a good example of how much is contained in a simple miracle story. The Greek word *mogilalos* appears only here in all of the New Testament. It is a technical term referring to someone with a stammer. It is also used only once in the entire Jewish scriptures, in the passage that we read today as our first reading from Isaiah. Clearly, by his choice of this precise word Mark wants us to recognize that what Jesus is doing is the fulfillment of what Isaiah had predicted centuries earlier. In fact, Mark wants us to recognize that Jesus is the Messiah foretold by Isaiah and the other Jewish prophets of old.

The word *epiphatha*, "be opened," used to describe the restoration of the man's speech, is another example of a subtle allusion to an earlier prophecy. This time the prophecy in question is from Ezekiel, when he foretells that in the messianic age, "your mouth shall be opened to speak" (24:26). The sophistication of Mark's narrative is further revealed when we realize that there are multiple levels within a single reference. Mark not only draws our attention back to Israel's prophetic past, he also points to the initiatory practice of his contemporaries by his mention of such things as spittle, touching of ears, and the use of the word *epiphatha*, all of which were practices incorporated into the early Church's baptismal ritual.

fetizado siglos antes. De hecho, Marcos quiere que reconozcamos que Jesús es el Mesías anunciado por Isaías y otros profetas judíos de la antigüedad.

La palabra *effetà*, "ábrete", que se utiliza para describir la curación de la voz del hombre, es otro ejemplo de una sutil alusión a una profecía anterior. Esta vez la profecía a la que se refiere es de Ezequiel, cuando anuncia que en la era mesiánica, "se abrirá tu boca para hablar" (24:27). La compleja sutileza de la narración de Marcos se manifiesta más aún cuando nos damos cuenta de que hay múltiples capas dentro de una sola referencia. Marcos no sólo llama nuestra atención al pasado profético de Israel, sino también nos señala la práctica de iniciación de sus contemporáneos al mencionar tales cosas como la saliva, el contacto con las orejas y el uso de la palabra *effetà*, elementos todos que eran parte del rito del Bautismo durante la primera Iglesia.

EL MESÍAS ANUNCIADO

El relato de hoy sobre la curación de un sordo y tartamudo es un buen ejemplo de lo mucho que contiene la descripción de un simple milagro. La palabra griega *mogilalos* aparece solamente aquí en todo el Nuevo Testamento. Es un término técnico que se refiere a alguien que es tartamudo. También se utiliza una sola vez en todas las Escrituras judías, en el pasaje que leemos hoy en la primera lectura de Isaías. Es evidente que, por su selección de esta precisa palabra Marcos quiere que reconozcamos que lo que Jesús está haciendo es el cumplimiento de lo que Isaías había pro-

Please watch your email for the link to the CMG website. You will need the username and password that you set up. The videos are new and the process will take about 1.5 hours.

Please complete the process before your background check expires. If you have any questions, please contact Sally Guerrero (sguerrero@stcyril.com or 520-795-1633 x 118).

Dear Faithful,

I kindly urge every member of your household to [view the video](#) or read the text below from Arizona's bishops opposing Arizona Proposition 314, on immigration, an initiative which will appear on this November's state ballots.

May God bless you abundantly,

+Edward J. Weisenburger

<https://youtu.be/nX8GhGCKD54>

As Catholic Bishops of Arizona, we express our frustration about the current situation at the US-Mexico border. The lack of a federal solution to challenges faced by both vulnerable asylum seekers and American communities is sorely needed and long overdue.

The states and local communities along the border shoulder much of the challenges created by the federal government's neglect. Its failure to address increased migration in a pragmatic and humane way has led to an ineffective response at the border and an unacceptable number of migrant deaths.

We do not question the good intentions of those seeking to address these challenges. Nonetheless, we believe that Proposition 314 will have unanticipated consequences, and that it is not the right solution.

Although proponents argue that Proposition 314 is about border security, the reality is that its passage will create real fear within Arizona communities that will have harmful consequences. In particular, by having state and local law enforcement responsible for enforcing what should be the role of federal immigration authorities, many crime victims and witnesses will be afraid to go to law enforcement and report crimes. As a result, dangerous criminals will not be apprehended, and public safety will be threatened.

Additionally, immigration by its nature is a national issue and the regulation of immigration extends beyond the purview of individual states, points consistently affirmed by the U.S. Supreme Court. Rather than holding the federal government accountable, Proposition 314 will only create further disorder and confusion, placing unworkable and unrealistic expectations on state judicial officers and law enforcement personnel.

The federal government needs to do a much better job of managing our national border and providing comprehensive immigration reform. Proposition 314, however, is unlikely to survive legal challenges and is not the right solution to these problems.

Queridos Fieles,

Le ruego a cada miembro de su familia que [vea el video](#) o lea el texto siguiente, de parte de los Obispos de Arizona que se oponen a la Proposición 314 en Arizona, Inmigración. Una iniciativa que aparecerá en las boletas electorales del Estado en Noviembre de este año.

Que Dios les bendiga abundantemente

+Edward J. Weisenburger

<https://youtu.be/KkLLqxmasEs>

Como Obispos Católicos de Arizona, expresamos nuestra preocupación por la situación actual en la frontera entre Estados Unidos y México. La falta de una solución federal a los desafíos que enfrentan, tanto los solicitantes de asilo vulnerables como las comunidades de Estados Unidos es urgente y debió haberse hecho hace mucho tiempo.

A lo largo de la frontera, los estados y las comunidades locales afrontan gran parte de los retos creados por la negligencia del gobierno federal. Su incapacidad para hacer frente al aumento de la migración de una manera enérgica y humana ha dado lugar a una respuesta ineficaz en la frontera y a un número inaceptable de muertes de inmigrantes.

No ponemos en duda las buenas intenciones de quienes tratan de resolver estos problemas. Sin embargo, creemos que la Proposición 314 tendrá consecuencias imprevistas y no es la solución adecuada.

Aunque los defensores sostienen que la Proposición 314 tiene que ver con la seguridad de la frontera, lo cierto es que su aprobación provocará un verdadero temor en las comunidades de Arizona que tendrá consecuencias perjudiciales. En concreto, al hacer responsables a las fuerzas del orden estatal y local, de hacer cumplir, lo que debería ser función de las autoridades federales de inmigración, muchas víctimas y testigos de delitos tendrán miedo de acudir a las fuerzas del orden y denunciar los delitos. Como resultado, los delincuentes peligrosos no serán detenidos y la seguridad pública se verá amenazada.

Además, la inmigración, por su naturaleza, es una cuestión nacional y la regulación de la inmigración se extiende más allá del poder de los estados individuales, puntos afirmados por el Tribunal Supremo de los Estados Unidos en repetidas ocasiones. En lugar de hacer responsable al gobierno federal, la Proposición 314 sólo creará más desorden y confusión, poniendo expectativas poco factibles y poco realistas en los funcionarios judiciales estatales y el personal encargado de hacer cumplir la ley.

El gobierno federal tiene que hacer un trabajo mucho mejor en la regulación de nuestra frontera nacional y proporcionar una reforma migratoria integral. Sin embargo, es poco probable que la Proposición 314 logre superar los desafíos legales y no es la solución adecuada a estos problemas.

CATECHETICAL SUNDAY

First Day of Classes Today

Our Church recognizes the role of the family as primary educators of their children in the faith. The parish's role is to *support* the family as it passes on the faith to its children. It is for this reason that parishes often have schools and always have Religious Education / Faith Formation programs for its members.

To assist you, our Religious Education Program is on Sundays since celebrating the Sunday Eucharist is a fundamental practice for Catholics. Our expectation is that your family will participate in Sunday Mass, either the 10 AM in English before the class or at 1 PM in Spanish after the class.

May God's Spirit inspire both you and our catechists this year so that our children may experience our Catholic Christian faith as a way of life in the home and at the parish.

May God bless you!

Registration for the 2024–25 catechetical year continues through end of September.

For information or questions about the Religious Education Program, contact Becki (bjenkins@stcyril.com or 520-795-1633 x 104).

Prayer for the Start of a New Year

O God, we long to know you and to love you, but the busyness of life often gets in the way. Help us to recognize the ordinary, daily ways that our family can learn about you and grow closer to you. We know that you are with us, leading us, and guiding us on our way. Amen.

DOMINGO DE CATEQUESIS

Primer Día De Clases Hoy

Nuestra Iglesia reconoce el rol de la familia como educadores primarios de sus hijos en la fe. El papel de la parroquia es apoyar a la familia a medida que pasa la fe a sus hijos. Es por esta razón que las parroquias a menudo tienen escuelas y siempre tienen programas de Educación Religiosa / Formación de Fe para sus miembros.

Para ayudarlo, nuestro Programa de Educación Religiosa es los domingos ya que la celebración de la Eucaristía dominical es una práctica fundamental para los católicos. Nuestra expectativa es que su familia participe en la Misa dominical, ya sea a las 10 am en inglés antes de la clase o a la 1 pm en español después de la clase.

Que el Espíritu Santo les inspire a ustedes y a nuestros catequistas este año, para que nuestros niños tengan una experiencia de Dios y de nuestra fe católica Cristiana en su vida, su hogar y en la parroquia.

¡Dios los bendiga!

Inscripción para el año catequético 2024–25 continúa hasta fines de septiembre.

Para información o preguntas sobre el Programa de Educación Religiosa, contacte a Becki (bjenkins@stcyril.com o 520-795-1633 x 104).

Oración para el Inicio de un Nuevo Año

Oh querido y amoroso Dios, anhelamos conocerte y amarte, pero las ocupaciones de la vida a menudo se interponen en nuestro camino. Ayúdanos a reconocer las formas cotidianas y ordinarias en que nuestra familia puede aprender sobre ti y acercarse más a ti. Sabemos que estás con nosotros, quitándonos y guiándonos en nuestro camino. Amén.

"The weight of evil in the world seems overwhelming. We feel it everywhere and our effort to resist is smothered. But God does not see things in this way. God must still see the world as good or he would not allow it to continue its existence. He prefers, so St. Augustine tells us, to draw good out of evil rather than not to permit any evil at all."

- Hubert Van Zeller, O.S.B.

"El peso del mal en el mundo parece abrumador. Lo sentimos por todas partes y nuestro esfuerzo por resistirlo se ve sofocado. Pero Dios no ve las cosas de esta manera. Dios debe seguir viendo el mundo como bueno o no permitiría que continuara existiendo. Él prefiere, como nos dice San Agustín, sacar el bien del mal en lugar de no permitir ningún mal en absoluto."

2025 Jubilee of Deacons

Italy Pilgrimage with the **Diocese of Tucson**

Bishop
Gerald F. Kicanas

Deacon
Al Gallardo

February 18 - 27, 2025 (10 Days)

Departing from Phoenix (PHX)

The Holy Doors of Rome's four major papal basilicas are opened only during times of jubilee, symbolize passing into the presence of God by way of our Lord Jesus, who called himself the "gate." Those who walk through them are granted a plenary indulgence for the removal of temporal punishment for their sins. There are 4 Jubilee Doors and they are in the 4 major basilicas of Rome: St. Peter's Basilica, Archbasilica of St. John Lateran, St. Paul Outside the Walls, and St. Mary Major.

Itinerary (subject to change)

February 18, 2025: Overnight Flight to Italy

Today we embark on our pilgrimage with an overnight flight(s) from Phoenix (PHX) to Rome. Enjoy meals and refreshments served on the plane.

February 19: Assisi

After arriving into Rome Airport, we transfer by private motorcoach to the hilltop village of Assisi, the birthplace of St. Francis of Assisi. Upon arriving, will take you up to the most beautiful view of the city. After our hotel check-in, we will gather for prayer and Mass. *Overnight in Assisi.*

February 20: Assisi

Following breakfast, we will gather for our guided tour of Assisi. We begin at the Basilica of Saint Clare, one of the first followers of St. Francis. Here, we will descend to St. Clare's lower crypt, where we will pray before her incorrupt body. We will also have a chance to pray before the San Damiano cross, the very cross that Christ spoke to St. Francis through, asking Francis to rebuild his Church. Continuing to the Basilica of Saint Francis, we will be guided through the meaning of the many frescoes that surround us, depicting his saintly life. We will then have an opportunity to descend to the lower crypt where we will pray before the tomb of St. Francis, and the remains of his first followers. Today we will also visit the Chiesa Nuova and San Francesco Piccolino. *Overnight in Assisi.*

February 21: Journey to Rome

Today we will make our way down into the valley of Assisi where we visit the beautiful Basilica of Saint Mary of the Angels, home of the Chapel Portiuncula, where St. Francis lived and worked after founding the Franciscan order, and where Mother Mary appeared to Francis in 1216. All roads lead to Rome. We arrive in time to participate in the Jubilee of Deacons related events. For those not attending Jubilee events, we spend the afternoon at leisure. *Overnight in Rome.*

February 22-23: Jubilee of Deacons Events

Today we participate in the events related to the "Jubilee of Deacons". Details to follow. *Optional day trips to Pompeii, Orvieto,*

and the Papal Palace of Castel Gandolfo available for those who don't wish to participate in the Jubilee of Deacons events. Overnight in Rome.

February 24: Tour of Papal Basilicas

Today we will visit and have an opportunity to walk through the Holy Doors at the Basilica of St. Paul Outside the Walls, the Basilica of St. Mary Major, and the Archbasilica of St. John Lateran. At the Archbasilica of St. John Lateran we also will have the opportunity to climb the Lateran Steps and attend Mass. Before we close the day, we will travel to the Pontifical North American College for a private tour, offering stunning views of Rome. *Overnight in Rome.*

February 25: Exploring Ancient Rome

After breakfast, we will embark on a historic tour of Ancient Rome. We will stroll along cobblestone streets, lined with majestic stone pines, and visit the Colosseum, a grand amphitheater of the ancient world. Passing by the Roman Forum, we will witness the ruins of ancient government buildings. We'll finish the day visiting the Catacombs of St. Callixtus, a resting place of several popes from the 2nd to 4th centuries. *Overnight in Rome.*

February 26: Rome, Day at the Vatican, Papal Audience

In the morning, we will head to Saint Peter's Square for the Papal general audience with Pope Francis (subject to the Pope's schedule). Afterward, we will have a private Mass nearby. After lunch on your own, we'll embark on a tour of the Vatican Museum, Sistine Chapel, and St. Peter's Basilica. Scavi tour of the Vatican (subject to availability). At St. Peter's Basilica we will walk through the final Holy Door. This door is one of three entrances into St. Peter's Basilica, which along with the other Holy Doors usually remains closed, but when it is opened imparts an indulgence to those who walk through it. Tonight, we enjoy our farewell dinner. *Overnight in Rome.*

Pricing: Canterbury Pilgrimages & Tours Inc. reserves the right to adjust pricing should the following occur: (1) Rise in Airfare due to higher fuel costs, etc. (2) Rise in ground costs due to increases in hotel charges, bus fares, fees, taxes and other costs due to the fluctuating value of the U.S. dollar against foreign currency.

Baggage: Please follow the general rule of traveling light - If you cannot carry it do not bring it. Passengers are permitted one piece of luggage per person. Baggage handling is included for one suitcase per person only, whenever possible, in the cost of the pilgrimage. The airlines for international flights will not allow a suitcase exceeding 50 pounds (subject to change), if over 50lbs., the fees can be costly. On inter-European flights, which are not directly connected to a transatlantic flight the baggage weight limit is lower. We will provide you with this information in the final travel documents. Every effort will be made to handle luggage carefully, however Canterbury Pilgrimages & Tours Inc. will not assume any liability for lost or damaged luggage or items inside luggage carrier. In addition, CPT is not responsible for any negligent or willful act or failure to act of any person or entity they do not own or control, nor for any act or inaction of any other third party not under their control. Without limitations CPT is not liable for any direct, indirect, consequential, or incidental damage, injury, death, loss, accident, delay, inconvenience or irregularity of any kind which may be occasioned by reason of any act or omission beyond their control, including, without limitation any willful or negligent act, failure to act, breach of contract or violation of local law or regulation of any third party such as an airline, train, hotel, bus, taxi, van, local ground handler or guide, whether or not it uses the CPT name, financial default or insolvency of any supplier which is to, or does supply any goods or services for this trip. Similarly, CPT is not responsible for any loss, injury, death or inconvenience due to delay or changes in schedule, overbooking of accommodation, default of any third party, attacks by animals, injury or death while on activities sponsored by lodging facilities or by other third parties, sickness, the lack of appropriate medical care, evacuation to same, if necessary, weather, strikes, acts of God or government, acts of terrorism, or the threat thereof, force majeure, war, quarantine, epidemics, or the threat thereof, criminal activity, or any other cause beyond its control.
