

St. Cyril of Alexandria School
Creating Tomorrow's Leaders Through Inspiration & Innovation

Dear Parents and Guardians,

Are your children already saying, “I’m bored!” this summer?
We’ve got the solution!

Our **Math, Reading, and Music Summer Camp** in June is still accepting sign-ups for students entering 1st through 7th grade. It’s a great way to keep minds active and engaged — and have fun while learning!
Campers attend Monday - Thursday mornings with time to:

- Build confidence in math and reading
- Explore creativity through music
- Participate in games, challenges, and hands-on activities

If your child could use a little summer structure (and a lot of fun), don’t wait — click the link below to reserve a spot.

We hope to see your child there!
